

Job Description

Job Title: Welder / Fitter

Position Code:

Job Classification: Non-Exempt

Supervisor: Plumber Supervisor

Pay Grade: 28

Contract Length: 245 Days

Job Summary

Position is responsible for designing, laying out, fitting, fabricating and assembling components by several welding and mechanical techniques. Fabricates, installs, repairs and modifies furniture, gas lines, boiler components and piping, special hand tools, trailers and some motor vehicle parts. Having some knowledge of sheet metal work is valuable. Also responsible for maintaining air compressors, regulators, and hose reels at several locations. Must be trained in lead awareness and testing procedures. Will assist other shop personnel and perform some plumbing maintenance tasks.

Essential Duties

1. Perform all work as assigned, gather material for each task.
2. Communicate with shop supervisor on work status updates.
3. Access and communicate through email using Outlook.
4. Must have computer skills and the ability to navigate internet as needed.
5. Access and navigate the School Dude maintenance software to document labor, materials, and other applicable data.
6. Access and navigate the SunTrust Spending Platform to make purchases as well as reconciling P-Card purchases.
7. Selects material, equipment and prepares components for welding and assembly.
8. Bolts, screws, tacks, rivets, and clamps parts as needed for assembly.
9. Sets up welding equipment, devices, and tools. Performs proper safety techniques to protect themselves and others from harmful welding fumes and arc flash.
10. Must be familiar with all types of welding procedures such as Electric arc, Shielded Metal Arc Welding (SMAW), Metallic Inert Gas Welding (MIGW), Oxyacetylene welding, cutting, and brazing. Able to weld on stainless, aluminum, mild steel and non-ferrous metals.
11. Maintains welding, plumbing tools, and equipment. Services and uses cranes, band saws, drill presses, and sewer cleaning equipment.
12. Perform MIG, TIG, and Stick welding on various metals.
13. Models nondiscriminatory practices in all activities.

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

Other Duties

1. Performs any other related duties as assigned by the Plumber Supervisor or appropriate administrator.
2. Must be able to notice and address safety concerns and hazards.
3. Must attend training on job related safety.
