### Role of the Graduation Coach

- Develops relationships with parents and students and serves as the liaison between school and home
- Identifies students that need additional support toward graduation
- Offers support to Elementary & Middle schools through conferences, parent institutes, teacher and student support, and guidance programs
- Monitors students on a weekly basis, providing support and motivation
- Develops and implements individual intervention strategies to increase the likelihood that students will stay in school and graduate.

### Intervention Strategies

- Provide mentors through school and community organizations.
- Conduct Semi-Annual Parent Institutes
- Institute Quarterly Parent-Student Forums
- Offer after-school tutoring
- Monitor student behavior and attendance
- Provide College and Career Fairs (for both parent and student)
